NAME: _____

INSTRUCTIONS:

1. This exam has 9 pages. Make sure you have a complete exam.
2. The third and fourth page of the exam is a periodic table and reference information. Make sure it is there.
3. You should have your textbook with you to hand in before you write the exam.
4. Make sure you put your name on the front of the exam and page 2 before starting.
5. There are four parts to this exam. Parts A, B and C are to be answered on the Answer Sheet. Part D will be answered on the exam paper in the space provided. Should you need more room, record your answer on foolscap, with your name at the top and question clearly labelled and attach the foolscap to the back of the examination. Also, mark clearly on the exam paper where your answer may be found.
6. You may separate your exam paper, but make sure it is put back in proper order when you submit it.
7. Calculators may be used and not shared.
