

Feeling Good Songs

You Are My Sunshine/ Oh, Let the Sun Shine in

Jimmie Davis & Charles Mitchell/Kitty Wells

Chorus: You are my sunshine, my only sunshine.
You make me happy, when skies are grey.
You'll never know, dear; How much I love you.
Please don't take my sunshine away

The other night, dear; as I lay sleeping
I dreamed I held you in my arms.
When I awoke, dear; I was mistaken
And I hung my head and cried.

Chorus: You are my sunshine, my only sunshine.
You make me happy, when skies are grey.
You'll never know, dear; How much I love you.
Please don't take my sunshine away

Oh let the sun shine in, face it with a grin
Smilers never lose, and frowners never win.
So let the sun shine in, face it with a grin
Open up your heart and let the sun shine in.

He's Got the Whole World

Obie Phillis

He's got the whole world, in his hands

He's got the whole world, in his hands

He's got the whole world, in his hands

He's got the whole world, in his hands

He's got the tiny little babies, in his hands

He's got the brothers and the sisters, in his hands

He's got the grandmas and the grandpas, in his hands

He's got the whole world, in his hands

He's got everybody here, in his hands

Do-Re-Mi

Rodgers and Hammerstein

Let's start at the very beginning
A very good place to start
When you read you begin with A-B-C
When you sing you begin with do-re-mi (Do-re-mi,)
The first three notes just happen to be
Do-re-mi, Do re mi fa so la te do

Doe, a deer, a female deer
Ray, a drop of golden sun
Me, a name I call myself
Far, a long, long way to run
Sew, a needle pulling thread
La, a note to follow Sew
Tea, a drink with jam and bread
That will bring us back to Do (oh-oh-oh)

Doe, a deer, a female deer
Ray, a drop of golden sun
Me, a name I call myself
Far, a long, long way to run
Sew, a needle pulling thread
La, a note to follow Sew
Tea, a drink with jam and bread
That will bring us back to Do!

My Favourite Things

Rodgers and Hammerstein

Raindrops on roses, and whiskers on kittens,
Bright copper kettles, and warm woolen mittens,
Brown paper packages, tied up with strings,
These are a few of my favorite things . . .

Cream colored ponies, and crisp apple strudels,
Doorbells an' sleigh bells, and schnitzel with noodles,
Wild geese that fly with the moon on their wings,
These are a few of my favorite things . . .

Girls in white dresses, with blue satin sashes,
Snow flakes that stay on my nose and eyelashes,
Silver white winters, that melt into springs,
These are a few of my favorite things . . .

When the dog bites,
When the bee stings,
When I'm feelin' sad,
I simply remember my favorite things,
And then I don't feel so bad . . .

Somewhere Over the Rainbow

Harold Arlen & E.Y. Harburg

Somewhere over the rainbow, way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow, skies are blue
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon-drops
Away above the chimney tops, that's where you'll find me

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow why then, oh why can't I?

If happy little bluebirds fly beyond the rainbow
Why, oh why can't I?

I Believe I can Fly

R. Kelly

Chorus: I believe I can fly, I believe I can touch the sky
I think about it every night and day, Spread my wings and fly away
I believe I can soar, see me running through that open door
I believe I can fly, I believe I can fly, I believe I can fly

I used to think that I could not go on
And life was nothing but an awful song
Now I know the meaning of true love
I'm leaning on the everlasting arms
If I can see it, then I can do it
If I just believe it, there's nothing to it

Chorus: I believe I can fly, I believe I can touch the sky
I think about it every night and day, Spread my wings and fly away
I believe I can soar, see me running through that open door
I believe I can fly, I believe I can fly, I believe I can fly

Nothing gonna set you free you know
So turn inside and look, it seems so dark
There are miracles in life I must achieve
But first I know it starts inside of me, oh
If I can feel it, then I can be it
If I just believe it, there's nothing to it

Chorus: I believe I can fly, I believe I can touch the sky
I think about it every night and day, Spread my wings and fly away
I believe I can soar, see me running through that open door
I believe I can fly, I believe I can fly, I believe I can fly

Awaken, awaken brethren

Awaken brethren with a joyful heart

Sweet Caroline

Neil Diamond

Where it began, I can't begin to knowing
But then I know it's growing strong
Was in the spring, then spring became the summer
Who'd have believed you'd come along
Hands, touching hands
Reaching out, touching me, touching you

Sweet Caroline
Good times never seemed so good
I'd be inclined
To believe they never would
But now I

Look at the night and it don't seem so lonely
We filled it up with only two
And when I hurt, hurting runs off my shoulders
How can I hurt when I'm holding you
One, touching one
Reaching out, touching me, touching you...

Sweet Caroline
Good times never seemed so good
I'd be inclined
To believe they never would

Chapel of Love

Jeff Barry, Ellie Greenwich, Phil Spector

Goin' to the chapel and we're gonna get married
Gee, I really love you and we're gonna get married

Can't Help Falling in Love With You

Haley Reinhart

Wise men say only fools rush in
But I can't help falling in love with you

Shall I stay, would it be a sin
If I can't help falling in love with you?

Like a river flows, surely to the sea
Darling, so it goes, some things are meant to be

Take my hand, take my whole life too
'Cause I can't help falling in love with you

Like a river flows, surely to the sea
Darling, so it goes, some things are meant to be

Take my hand, take my whole life too
'Cause I can't help falling in love with you

My Love

Tony Hatch

Chorus

My love is warmer than the warmest sunshine softer than a sigh
My love is deeper than the deepest ocean wider than the sky
My love is brighter than the brightest star that shines every night above
And there is nothing in this world that can ever change my love

Something happened to my heart the day that I met you
Something that I never felt before
You are always on my mind no matter what I do
And every day it seems that I want you more

Chorus

My love is warmer than the warmest sunshine, softer than a sigh
My love is deeper than the deepest ocean, wider than the sky
My love is brighter than the brightest star that shines every night above
And there is nothing in this world that can ever change my love

Once I thought that love was meant for anyone else but me
Once I thought you'd never come my way
Now it only goes to show how wrong we all can be
For now I have to tell you everyday

Chorus

My love is warmer than the warmest sunshine, softer than a sigh
My love is deeper than the deepest ocean, wider than the sky
My love is brighter than the brightest star that shines every night above
And there is nothing in this world that can ever change my love

Can You Feel the Love Tonight

Elton John & Tim Rice

There's a calm surrender, to the rush of day,
When the heat of a rolling wind, can't be turned away
An enchanted moment and it sees me through
It's enough for this restless warrior just to be with you
And can you feel the love tonight?

It is where we are
It's enough for this wide-eyed wanderer
That we got this far

And can you feel the love tonight,
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best

There's a time for everyone, if they only learn
That the twisting kaleidoscope, Moves us all in turn
There's a rhyme and reason, to the wild outdoors
When the heart of this star-crossed voyager, beats in time with yours
And can you feel the love tonight?

It is where we are
It's enough for this wide-eyed wanderer
That we got this far

And can you feel the love tonight,
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best

It's enough to make kings and vagabonds
Believe the very best

You've Got a Friend

Carole King

When you're down and troubled, and you need a helping hand
And nothing, whoa nothing is going right.
Close your eyes and think of me, and soon I will be there
To brighten up even your darkest nights.

Chorus You just call out my name, and you know wherever I am
I'll come running, to see you again
Winter, spring, summer, or fall, all you have to do is call
And I'll be there, yeah, yeah, yeah'; You've got a friend.

If the sky above you, Should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together and call my name out loud
And soon I will be knocking upon your door.

Chorus You just call out my name, and you know wherever I am
I'll come running, to see you again
Winter, spring, summer, or fall, all you have to do is call
And I'll be there, yeah, yeah, yeah; You've got a friend.

Stand By Me

Ben E. King, Jerry Lieber, Mike Stoller

When the night has come, And the land is dark
And the moon is the only light we'll see
No I won't be afraid, Oh I won't be afraid
Just as long as you stand, stand by me

Chorus: So darling, darling, Stand by me, oh, stand by me
Oh stand, stand by me, Stand by me.

If the sky that we look upon
Should tumble and fall
Or the mountains should crumble to the sea
I won't cry, I won't cry
No I won't shed a tear
Just as long as you stand, stand by me

Chorus: So darling, darling, Stand by me, oh, stand by me
Oh stand, stand by me, Stand by me.

So darling, darling, Stand by me, oh, stand by me
Oh stand, stand by me, Stand by me.

True Colours

You with the sad eyes
Don't be discouraged, Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness inside you
Makes you feel so small

CHORUS: But I see your true colors, shining through
I see your true colors, and that's why I love you
So don't be afraid to let them show
Your true colours, true colours are beautiful,
Like a rainbow

Show me a smile then,
Don't be unhappy, can't remember when
I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

CHORUS **And** I see your true colors, shining through
I see your true colors, and that's why I love you
So don't be afraid to let them show
Your true colours, true colours are beautiful,
Like a rainbow

You've Got a Friend in Me

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles from your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
You got troubles, and I got 'em too
There isn't anything I wouldn't do for you
We stick together and we see it through
'Cause you've got a friend in me
You've got a friend in me

Some other folks might be a little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you the way I do
It's me and you, boy

And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me

One Friend

Dan Seals

I always thought you were the best, I guess I always will
I always felt that we were blessed, I feel that way still
Sometimes we took the hard road, but we always saw it through
If I had only one friend left, I'd want it to be you

Sometimes the world was on our side, sometimes it wasn't fair
Sometimes it gave a helping hand, sometimes we didn't care
'Cause when we were together, it made the dream come true
If I had only one friend left, I'd want it to be you

Bridge: Someone who understands me, and knows me inside out
Who helps keep me together, and believes without a doubt
That I could move a mountain, someone to tell it to
If I'd had only one friend left, I'd want it to be you (repeat last line)

All My Life's a Circle

Harry Chapin

All my life's a circle; sunrise and sundown;
Moon rolls through the nighttime;
'Til the daybreak comes around.
All my life's a circle; but I can't tell you why;
Season's spinning round again; the years keep rollin' by.

It seems like I've been here before; I can't remember when;
But I've got this funny feeling; that we'll all get together again.
There's no straight lines make up my life; All my roads have bends;
There's no clear-cut beginnings; and so far no dead-ends.

All my life's a circle; sunrise and sundown;
Moon rolls through the nighttime;
'Til the daybreak comes around.
All my life's a circle; but I can't tell you why;
Season's spinning round again; the years keep rollin' by.

I found you a thousand times; I guess you done the same;
But then we lose each other; It's just like a children's game;
But as I see you here and now; the thought rolls through my mind
Our love is like a circle; let's go 'round one more time.

All my life's a circle; sunrise and sundown;
Moon rolls through the nighttime;
'Til the daybreak comes around.
All my life's a circle; but I can't tell you why;
Season's spinning round again; the years keep rollin' by.

I'm a Believer

Neil Diamond

I thought love was only true in fairy tales
Meant for someone else but not for me
Love was out to get me
That's the way it seemed
Disappointment haunted all my dreams

Chorus

Then I saw her face - Now I'm a believer!
Not a trace of doubt in my mind.
I'm in love, I'm a believer
I couldn't leave her if I tried.

I thought love was more or less a given thing
Seems the more I gave, the less I got
What's the use in tryin'?
All you get is pain.
When I needed sunshine, I got rain.

Chorus

Then I saw her face - Now I'm a believer!
Not a trace of doubt in my mind.
I'm in love, I'm a believer
I couldn't leave her if I tried.

Then I saw her face, now I'm a believer!
Not a trace, of doubt in my mind.
I'm a believer, yeah, yeah, yeah, yeah, yeah, I'm a believer (I'm a believer)
I'm a believer (I'm a believer) yeah, I'm a believer (I'm a believer)

Songs of Hope

Forever Young

May God bless and keep you always

May your wishes all come true

May you always do for others,

And let others do for you.

May you build a ladder to the stars,

And climb on every rung.

May you stay, forever young

Chorus

Forever young, forever young

May you stay, forever young

May your hands always be busy

May your feet always be swift

May you have a strong foundation

When the winds of changes shift

May your heart always be joyful

May your song always be sung

May you stay forever young.

Chorus

Forever young, forever young

May you stay, forever young

Let it Go

The snow glows white on the mountain tonight, not a footprint to be seen
A kingdom of isolation and it looks like I'm the queen
The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I've tried

Don't let them in, don't let them see,
Be the good girl you always have to be
Conceal, don't feel, don't let them know,
Well, now they know

Let it go, let it go. Can't hold it back anymore
Let it go, let it go. Turn away and slam the door
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway

It's funny how some distance makes everything seem small
And the fears that once controlled me can't get to me at all
It's time to see what I can do, To test the limits and break through
No right, no wrong, no rules for me...I'm free

WRDSB Special Ed Choir

Let it go, let it go, I am one with the wind and sky
Let it go, let it go, you'll never see me cry
Here I stand and here I'll stay,
Let the storm rage on....

[Bridge]

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past

Let it go, let it go, and I'll rise like the break of dawn
Let it go, let it go, that perfect girl is gone
Here I stand in the light of day
Let the storm rage on...
The cold never bothered me anyway

A Thousand Years

Christina Perri

Heart beats fast, colours and promises
How to be brave, how can I love when I'm
Afraid to fall, but watching you stand alone
All of my doubt, suddenly goes away somehow
One step closer

I have died every day, waiting for you
Darling, don't be afraid, I have loved you for a thousand years
I'll love you for a thousand more

Time stands still, beauty in all she is
I will be brave. I will not let anything,
Take away, what's standing in front of me
Every breath, every hour has come to this
One step closer

I have died every day, waiting for you
Darling, don't be afraid, I have loved you for a thousand years
I'll love you for a thousand more

And all along I believed, I would find you
Time has brought your heart to me, I have loved you
For a thousand years
I'll love you for a thousand more.

Put a Little Love in your Heart

Jackie DeShannon, Randy Myers, Jimmy Holiday

Think of your fellow man, lend him a helping hand

Put a little love in your heart.

You see it's getting late, oh please don't hesitate

Put a little love in your heart.

And the world will be a better place, and the world will be a better place

For you and me, you just wait and see

Another day goes by, and still the children cry

Put a little love in your heart.

If you want the world to know, we won't let hatred grow

Put a little love in your heart.

And the world will be a better place, and the world will be a better place

For you and me, you just wait and see

Take a good look around and, if you're lookin' down

Put a little love in your heart,

I hope when you decide, kindness will be your guide

Put a little love in your heart.

And the world will be a better place, and the world will be a better place

For you and me, you just wait and see

Put a little love in your heart each and every day

Put a little love in your heart there's no other way

Put a little love in your heart, it's up to you

Put a little love in your heart...

What a Wonderful World

Bob Thiele and George David Weiss

I see trees of green, red roses too
I see them bloom, for me and for you
And I think to myself, "What a wonderful world."

I see skies of blue, clouds of white
Bright blessed days, dark sacred nights
And I think to myself, "What a wonderful world."

Bridge: The colors of a rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying, "How do you do?"
They're really saying, "I love you."

I hear babies cry..... I watch them grow
They'll learn much more.....then I'll never know.
And I think to myself, "What a wonderful world." Oh Yeah

Branching Out

John Gorka

When I grow up I want to be a tree
Want to make a home for the birds and the bees
And the squirrels, they can count on me
When I grow up to be a tree

I'll let my joints get stiff, plant my feet in the ground
Take the winters off and settle down
Wear my clothes till they turn brown
When I grow up, I'm gonna settle down

Chorus: I'm gonna reach, I'm gonna reach
I'm gonna reach, reach for the sky
I'm gonna reach, I'm gonna reach
I'm gonna reach, till I know why

When the spring comes by I'm gonna get real green
If the dogs come by I'm gonna get real mean
On windy days, I'll bend and lean
When I grow up I'm gonna get real green

Bridge: If I should fall in storm or slumber
Please don't turn me into lumber
I'd rather be a Louisville slugger
Swinging for the seats...

Chorus: I'm gonna reach, I'm gonna reach
I'm gonna reach, reach for the sky
I'm gonna reach, I'm gonna reach
I'm gonna reach, till I know why

Canada Songs

They All Call it Canada

Fritz Grundland

Intro: Piano

Side by side, and step by step
Our fathers were marching along
They were building a road to the future
With a spade and a smile and a song
Out of the wildness and out of the sand
Grew the land that we live in today
Though the job to be done, has barely begun
Here is one thing I'm proud to say

1. My country is my cathedral; the northern sky its dome
They all call it Canada, but I call it home
2. The mountains, the lakes and valleys; are friends that I have known
They all call it Canada, but I call it home

From the Atlantic to the Pacific

From the pole to the U.S.A.

We're one united brotherhood

And united we will stay

3. The people across the border; and far across the foam
They all call it Canada, but I call it home

This Land is Your Land

Woody Guthrie

Chorus: This land is your land, this land is my land
From Bonavista, to the Vancouver Island
From the Arctic Circle, to the Great Lake waters
This land was made for you and me

As I was walking a ribbon of highway,
I saw above me an endless skyway
I saw below me a golden valley (valley)
This land was made for you and me

Chorus: This land is your land, this land is my land
From Bonavista, to the Vancouver Island
From the Arctic Circle, to the Great Lake waters
This land was made for you and me

I've roamed and rambled and I've followed my footsteps
To the fir clad forests of our mighty mountains
And all around me a voice was sounding
This land was made for you and me

Chorus: This land is your land, this land is my land
From Bonavista, to the Vancouver Island
From the Arctic Circle, to the Great Lake waters
This land was made for you and me

Canada In My Pocket

Michael Mitchell

Chorus:

I've got Canada in my pocket, a little bit of history.

A loonie, and a nickel, and a quarter and a dime

Mean a lot to you and me.

It's more than pocket money, they're the symbols of our land

They're pictures of important things

For which this country stands

The beaver, oh the beaver, is a beautiful sight to see

He's a happy, furry animal, like a teddy bear with teeth

He's never ever lazy, he works all night and day

Building houses for his family, he's got no time to play

The schooner, oh the schooner, is a beautiful sight to see

It's a great big wooden sailing ship, that can sail across the sea

It brings to other countries, the things their people need

And brings back things like chocolate bars, and books for us to read

The caribou, the caribou, is a beautiful sight to see

He's a really big strong animal, I'm sure you'll all agree

He looks like Santa's reindeer, and he loves it when the wind blows cold

So he lives up north with the polar bears, cause he likes the ice and snow

The common loon, the common loon, is a beautiful sight to see

She loves the lakes of Canada, from sea to sea to sea

She swims under the water, and flies across the sky

And most of all, we know we're home when we hear her mournful cry.

We Shall be free

Garth Brooks and Stephanie Davis

When the last child cries for a crust of bread
When the last man dies for just words that he said
When there's shelter over the poorest head, we shall be free

When the last thing we notice is the color of skin
And the first thing we look for is the beauty within
When the skies and the oceans are clean again, we shall be free

Chorus: We shall be free, we shall be free
Stand straight, walk proud
'Cause we shall be free

When we're free to love anyone we choose
When this world's big enough for all different views
When we all can worship from our own kind of pew, we shall be free

Chorus: We shall be free, we shall be free
Stand straight, walk proud
'Cause we shall be free

Bridge

And when money talks for the very last time
And nobody walks a step behind
When there's only one race and that's humankind, we shall be free

We shall be free, we shall be free
Stand straight, walk proud, we shall be free
We shall be free, we shall be free
Sit straight, roll proud! We shall be free

Child of the Universe

Laura Nyro

The sun is only a star, around that star we spin.
But there are many other stars, where do we fit in?
I am only a grain of sand, tossed by water and wind
But there are many grains of sand, Where do I fit in?

Chorus: Child of the universe let your spirit fly
You are the special one and here's the reason why
You're a child of the universe, so climb your mountains high
You are the chosen one to try and touch the sky.

Tell me what can I aim for, in a world that's quickly changing?
Tell me what my purpose is, where to I fit in?
Shall I follow a dream, or are dreams just made for children?
Well all of us are children now, that's where I fit in.

Chorus: Child of the universe let your spirit fly
You are the special one and here's the reason why
You're a child of the universe, so climb your mountains high
You are the chosen one to try and touch the sky.

I am the chosen one; I'll try and touch the sky.

We are a Family

We're big (we're big), we're small (we're small)

We're young (we're young), and we're old (we're old)

We're all different people living together with love.

We laugh (we laugh), we play (we play)
