

6A Superstar News

Where STARS shine bright!

September 28-Oct 2

This week in 6A Students:

- *Superstars have worked hard to walk/run as part of our week long Terry Fox Run.
- *Many students wore orange shirts for Orange Shirt Day. We read a story "When I Was Eight" and had an interesting discussion about why we have Orange Shirt Day.
- *Students created "Wonder" inspired self portraits or fingerprints with character traits representing them on the inside.
- *We read the story "Boys are Best" and tried an independent main idea response.
- *As a class we then discussed our responses and created a version together.
- *We created a chart of words to use when introducing a new example.
- *We finished our shared write on "Morning of First Day of School Recount."
- *Students worked on transferring their ideas from their graphic organizer into a writing sample of a summer activity.
- *We brainstormed words for different word families based on rhyming patterns.
- *Students enjoyed going for a walk around the Sandhills community.
- *We worked really hard on representing numbers in different ways. For example, we would trade a ten rod for ten more ones.
- *Students learned expanded form
- *As a class we brainstormed character traits for Terry Fox
- *Students explained what they think healthy eating is.
- *In Science we completed a reading on "All About Plants" and responded as a class.
- *We had a plant part check-in.
- *Students discussed how plants are important to different groups of people, such as: vegetarians, gardeners, store owner, farmers, etc.,

Next week we will:

- *Practice adding detail with our recount writing
- *Finish our counting and representing numbers unit.
- *Learn more about plants

Important Notes and Reminders:

- *Students who wear boots to school should have a change of shoes in their backpack. Shoes are to go home each night.
- *Discuss with your child the importance of trying their best when applying concepts in class and really listening to the lesson part.

Supporting Your Child at Home:

- *Review feedback on finished tasks
- *Brainstorm topics for writing a recount
