

The Student Council Bearpack is on a mission to support Food 4 Kids during the month of February. There is a list of items that they require most, however, please feel free to donate any nut free snacks. Food 4 Kids helps to feed less fortunate students in our region. The Bearpack is going to challenge the students with a fun **CANSTRUCTION** competition with all the donated items. Please send in food items between **February 1st and 21st**.

Sincerely Ms Fatemizadeh and The Bearpack
