

A Valentine for My Teacher

My teacher's very special
So I'm making her a heart.
A valentine that's sure to be
A proper work of art.

I've worked on it all morning
So it should be ready soon.
I'd like to slip it on her desk
Before this afternoon.

It's coloured in with crayons
And it's trimmed with paper lace,
It has flowers, hearts and cupids - -
I can't wait to see her face!

Valentine's Day is a day to celebrate family and friends and how much they mean to us.

Visualize the card described in this poem and draw a picture
...OR...create your own Valentine and leave it on your parents' table! You should see their face when they receive it 😊
